Fix You

[Coldplay]

When you try your best but you don't succeed
When you get what you want but not what you need
When you feel so tired but you can't sleep
Stuck in reverse

And the tears come streaming down your face
When you lose something you can't replace
When you love someone but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
I will try, to fix you

And high up above or down below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And I will try to fix you

|: Tears stream down your face
When you lose something you cannot replace
Tears stream down your face - And I :|

Tears stream down your face
I promise you I will learn from my mistakes
Tears stream down your face - And I

Lights will guide you home
And ignite your bones

And I will try to fix you

Shackles (Praise You)

[Mary Mary – Thankful]

Take the shackles off my feet so I can dance
|: I just wanna praise you :|
You broke the chains now I can lift my hands
|: And I'm gonna praise you :|

In the corners of mind
I just can't seem to find a reason to believe
That I can break free
Cause you see I have been down for so long
Feel like the hope is gone
But as I lift my hands, I understand
That I should praise you through my circumstance

Everything that could go wrong
All went wrong at one time
So much pressure fell on me
I thought I was gon' lose my mind
But I know you wanna see
If I will hold on through these trials
But I need you to lift this load
Cause I can't take it anymore

Been through the fire and the rain

Bound in every kind of way
But God has broken every chain
So let me go right now
Vamp:
|: I just gotta praise you
I gotta praise your name :|
(Praise your name)

Teardrops

[Hans Christian Jochimsen - what if I could]

Teardrops falling
in the morning
I see darkness has taken hold of you

Let me hold you
let me love you and know
I'll never leave you on your own

I will be there when you call
I will be there when the teardrops fall
You will never be the same
since the night you cried and called my name

I know you've cried before
Let me help you restore ev'ry dream
that faded away
lift your head we'll dream them today
ev'ry time you've cried through the night
take my hand we'll walk in the light

You're all I need

[Hezekiah Walker – Souled out]

|: You're all I need, every breath You breathe through me
You're all I need, let Your rivers flow through me :|
|: You're all I need :| x4

You're my closest friend, in you I live, have my being
