A Love Divine

[Peter Houe Sørensen / Rune Herholdt]

Vers 1

**I run to you
broken and blue
You are my saviour
You are my healer and my friend**

**You took my shame
You'll always remain the same
Forever and ever**

Kor

**You sing a song of love for me
A song for all eternity
A song divine
So pure and fine
You lift me up when I am low
Your love will never let me go
A love divine
So pure and fine**

Vers 2

**Nothing to fear
The Shepherd is here
I know He'll save me
He will protect me from all harm
You are my friend
Your favour will never end
Forever and ever**

Vamp

(S) You sing a song of love that's never ending

(A) Eternal, everlasting, love love

(T) Eternal, never ending, love love

All we ask

[Donnie McClurkin – We all are one]

Hear our earnest prayer O Lord,
Hear our humble cry
Precious loving caring lord
On whom we rely
Ever loving, ever living God
Of whom no one can compare
All we ask is that you hear our prayer

Give us strength most Holy Lord
Strength to meet this day
Lead us by your Holy Word
Guide us in your way
For life is filled with winding turns
We have often lost our way
All we ask is that you lead today

Give us love that's true O Lord
Trusting as a child
Love for all we see O Lord
Pure and undefiled
But to heal the heart and not turn away
Anyone who is in need
All we ask is teach us love indeed

uhh... (svagt)

Take me home with you my lord
When my life is through
Take me home with peace my lord
Let me rest with you
When I've fought the fight
And I've kept the faith
And my race on earth is wooooo....nnnnn
All I ask is that you say well done

Lord please let me hear you say - well done

Broken

[Coldplay]

1. Lord, when I'm broken - **when I'm broken**
I'm in need - **I'm in need**
I feel that ocean - **feel that ocean**

Head is hanging - **head is hanging**
So sorry for me - **so sorry for me**
Oh Lord, come shine your light on me - **shine your light on me**

2. On that morning - **on that morning**
Scared and blue - **scared and blue**
When I'm hungry - **when I'm hungry**
Thirsty too - **thirsty too**
Send this raindrop - **send this raindrop**
Down to the sea - **down to the sea**
Oh Lord, come shine your light on me - **shine your light on me**

Kor

Oh, shine your light - **åh, shine your light**
Oh, shine a light - **åh, shine your light**
Then I - **Uuhhhhhh** - know that in the darkness I'm alright - **I'm alright**

It's far away

And don't give into you imagining

Walk On Water

[Peter Houe Sørensen, Rune Herholdt]

VERS 1

If you're stunned by your life
You feel nothing, oh no nothing

Don't give up, just:

Reach out for the calling of Jesus

He will stretch your faith

Step out into courage

And He will guide your way

OMKVÆD

In the power of Jesus

Come out on the water

Dare to walk the water

Reach out and touch faith

VERS 1

When He's testing your faith
Fear is rising, oh oh, rising
Your doubt is dragging you down

hope is shrinking

Step out into courage

And He will guide your way
